Dear Craig,

RE: Loft Conversion to 180b Boundaries Road Balham London SW12 8HF

Thank you for your email requesting feedback for the above project.

We would like to thank you, Sylvester and the rest of the team for your work upon the above project and we would confirm:

- The works were competitively priced
- The project was executed & completed efficiently with minimum disruption to neighbors
- Your alternate staircase design created a better, cleaner layout than that proposed
- Works additional to the Contract were fairly priced and carried out with minimum fuss

We would definitely consider using **South London Lofts Ltd** for another project involving a loft conversion and we look forward to re-contacting you in the near future.

Yours sincerely

Michael Fuller
